Respect

The Sussex Sunday Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination.

Accordingly any form of discriminatory abuse - whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action.

WELCOME

TO PEACEHAVEN & TELSCOMBE FC

Good evening and welcome to Peacehaven & Telscombe Football Club as Cup Final season continues with the Division Five Cup - sponsored by Sands United Brighton - Final tonight between Hove FC Reserves and Sands United.

Both teams have had a very indifferent season with both hoping to possibly achieve more in the league but having the distraction of the cup has led to more fruitful things.

Both teams are not showing in front of goal and also both teams like to concede so this could be an absolute goal fest and hopefully a fantastic advert for Sunday football.

We'd like to thank our hosts as always for their superb venue and our wonderful photographer Steve Mills who will be capturing all of the key moments and probably some of the embarrassing ones too.

Please take the time to look through all of the information in this excellent programme and we hope to see you at another cup final soon.

May I take this opportunity to ask that if anyone is looking to get into over 35s or over 45 football please do not hesitate to contact anyone on the committee.

Our last piece of gratitude goes to Anthony Scott who has revolutionised not only our online presence but also created this excellent programme.

MEET THE PLAYERS

Myles Ahwal

One of the few people around when the club first formed although now only turns up for the big games. Looking to secure the title as Hove FC's most decorated player. Hove FC legend.

Luca D'Arienzo

Baby of the squad who, much to the delight of everyone except Ewan, has pushed Ewan to CB. Big talent with the firsts sniffing around.

Adam Watson

Surprisingly reliable considering his elder years. Massive coup in the summer window who doesn't know when to hang up his boots. Grandad.

Billy Warne

Stalwart of the team until he has a migraine and disappears. Loves a screamer. Good luck getting past him.

Taylor McNamara

Our LB who unfortunately has no left foot (or right foot). Yet to add to his goalscoring tally with 0 goals for the club or play a game sober.

Alex Melhursh

As confusing with Welsh

words off the pitch as he is with his decisions on it. Fit as a fiddle at 40 putting players to shame half his age. Leader.

Simone Amodio

Our slow Italian with the technique of Pirlo. Guaranteed to moan at anyone passing above knee height. Best trim.

Frankie Shinn

Our explosive Italian who has somehow found his inner Totti this season. Often does the legwork for our entire midfield. Loves a moan almost as much as he loves the badge. Set piece merchant.

Daniel Cullen

Carried the team so much over the past few seasons he is now suffering with two hernias. Frighteningly early to games. Loves a big game hatrick.

Tom Mannion

Makes Simone seem quick. Lovely guy who can control a game if others do his running. Strangely persists with outside of the boot passes.

Louie Duffy

Frightening first season for the club putting up Salah like numbers for assists. Now imagine the numbers if we had

players that could finish.

Joseph Williams

Best dribbler in the league although we are yet to see him pass the ball. Shooting ability of a blind Darwin Nunez with the occasional screamer.

Alex Valeri

Travelled the world and is Hove FC at heart. GK or ST – no one knows his best position. Notches goals and loves a toe punt. Versatile.

Luke Osborne

Our Whitehawk Ultra spends more time on the treatment table than on the pitch. His shot is known to cause temporary blindness in opposition's eyes. Dangerman.

Sam Green

Retired seven years ago, only to rejoin when the reserves were formed. The agility of a 60-year-old. Oldest club scorer.

Luke Canneaux

Often seen late at night in Walkabout repping GymShark. Another player without a strong foot although guaranteed to score a penalty top bins.
